

SUMMER SCHOOL

FIUGGI (IT)

7-11 July 2015

The Noise in Physical System Laboratory is glad to announce the 6th edition of NiPS Summer School devoted to:
"ICT-Energy: Energy consumption in future ICT devices"

The school, supported by European Commission under the FET Proactive Coordination Action ICT-Energy (www.ict-energy.eu), is open to graduate students, post-docs, young researchers, and in general to all scientists interested in the physical foundations and practical applications of energy management in computing processes.

Info and registration at: www.ict-energy.eu
